NEW WORLD ORDER UNVEILED!

Today's Headlines Were Written over 2000 years ago!
by Eli James and Clay Douglas

2000 years ago the Bible told us of the coming New World Order as the Eighth Beast, the mark of the Beast and WARNED us about the Jews who say they are Jews but are not. Jesus told us that they were liars and of their Father Satan. In this book the past meets the future.

MEET LUCIFER

THOUSANDS OF YEARS AGO THE EARTH WAS A DIFFERENT PLACE. A RACE EXISTED LIKE NO OTHER. THEIRS WAS A TECHNOLOGY FAR AHEAD OF THE LEVELS WE KNOW OF TODAY. THEY FACED A DISASTER SIMILAR THAT WHICH KILLED THE DINOSAURS. THEY SENT THEIR PEOPLE OUT INTO SPACE. ONLY A FEW BRAVE SOULS STAYED, TO HELP THE LESS ADVANCED INHABITANTS OF THIS PLANET REBUILD.

THEY WERE GENETICALLY ADVANCED MEN, ALMOST IMMORTAL, INCREDIBLY POWERFUL, TELEPATHIC AND ABLE TO MANIPULATE MATTER WITH THEIR MINDS. THEY WERE KNOWN AS GODS, ANGELS, WARRIORS AND DEMONS AMONG THE SURVIVORS OF OUR PLANET'S CLOSE ENCOUNTER WITH A GALACTIC INTRUDER.

THE LEGENDS AND NAMES OF THESE BEINGS ARE SCATTERED THROUGH OUT OUR HISTORY. THEIR POWER GREW, ALL PERVERSIVE AND HIDDEN THROUGH OUT MODERN TIMES. HUMANITY WAS DIVIDED, CONQUERED AND CONTROLLED BY UNSEEN HANDS. TODAY, THE BALANCE OF POWER SHIFTED INTO THE HANDS OF THE MOST FEARED BEING IN HISTORY.

Albert Pike writes: Lucifer, the most beautiful stranger and mysterious being to give to the Spirits of Darkness, the incarnation of Evil, bearing in him who bears the Light and with his supernal intelligence, mind, "Heaven sensual" - "Heaven's Soul" - "Heaven's Soul!"

The War Comes to America - Psycho Politics

The War Comes to America - Psycho Politics

By Clayton R. Douglas

As a well known, controversial, publisher and broadcaster I have been demonized, labeled, libeled and slandered by a wide range of opposition. From the days of Rush Limbaugh mocking us as “Black Helicopter Types” and “Militia” to today’s attacks on activists in the Tea Parties, Ron Paul, his supporters and Veterans, this is merely history repeating itself. These attacks were once limited to high profile and loud activists, writers and publishers like Bill Cooper, John Kaminski and myself, today they are going after our readers, listeners or fans. Remember being considered to be a terrorist if you had a Constitution on your dash or a Ron Paul Sticker on your bumper? But I was labeled a “Conspiracy Theorist” when I tried to warn you of what was to come based on suppressed history.

I have always told you that you should consider me the canary in the coal mine. It is no *theory* that many of the things that I warned about 15 years ago are occurring right now in our country. It is not like it hasn’t happened before. John Kaminski sent me this a few minutes ago.

John will be on my show tomorrow. I urge you to tune in. I want you to do more than just listen. Another war is planned and imminent! We must prepare on the home front without relying on a government that is behind and profiting from millions of deaths and misery for millions.

<http://libertyvillages.org>

“Just before World War I, Woodrow Wilson was the peace candidate, but later lit the fuse that killed 25 million people. Franklin Roosevelt said he’d keep us out of war just before he was elected to a third term, and history has long ago revealed how he engineered Pearl Harbor to get us into WW II, which killed 57 million.

Just before World War I, the sentiment in America was decidedly pro-German, and more the half of all the immigrants coming to this developing land WERE German. Nobody wanted to get involved in a European war. But the media, owned by the same people who were making the weapons, convinced us, apparently, by suddenly and savagely telling hair-raising false stories about the Germans.

*This is the great fact Americans continue to ignore. Instead of understanding that bankers create the wars, we prefer to believe the prejudicial hate-speak that emanates from American media that our enemies are “krauts,” “gooks,” and “ragheads,” without remembering, as the great suppressed writers have told us, **that the folks who control the money also control everything else.***

*Slowly, we are learning that our real enemies are really the misanthropes making those statements, the bigwigs who control the flow of real wealth with imaginary rules that are nothing but blatant crime schemes. **We are learning that these anti-human billionaires — whose income is derived entirely from legalized crime — are the true enemies of all civilized people.***

And worse, we are learning that our leaders are owned by these people, these billionaires, who run the world anonymously from behind the scenes, and use puppets like Obama, Putin, Castro and Chavez to convince the gullible goyim that there are actually competing political philosophies in the world, when in fact there are not.

Free American Interview with John Kaminski Friday Feb. 24

Why war is inevitable <http://johnkaminski.info>

[The War Comes to America - Psycho Politics](#)

Jonathan Williams recorded in his *Legions of Satan* (1781) that General Cornwallis revealed to General Washington during the signing of the Article of Capitulation signed by Cornwallis at Yorktown that: *“A holy war will now begin on America, and when it is ended America will be supposedly the citadel of freedom, but her millions will unknowingly be loyal subjects to the Crown.”* Cornwallis went on to explain what would seem to be a self contradiction, *“Your churches will be used to teach the Jew’s religion and in less than two hundred years the whole nation will be working for Divine World Government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry.”* General Cornwallis to General Washington as recorded by Jonathan Williams, ‘*Legions of Satan*’, 1781.

I have always maintained that a war is being waged right now with the real Enemies of Liberty operating within our borders. Even the mainstream is repeating that observation these days but they would have you believe that people like me are the enemy. As the Elitists expand their definition of “Enemies” the battle will begin to be bloody.

CNN -- Iran warned Tuesday it would strike against an "enemy" threatening it if needed to protect its national interests -- even if the enemy didn't attack first. Gen. Mohammad Hejazi, a deputy head of Iran's armed forces, said his country "will no more wait to see enemy action against us," according to the semi-official Fars News Agency.

NDAA was the prelude to Martial Law by suspending Posse Comitatus, much as NAFTA contributed to the Exodus of Mexican farmers as drug mules into this country.

MY film, “True Face of FEMA” warned of their plans for forced inoculations and the use of troops in case of a major natural disaster over ten years ago. Lecturing Law Enforcement in Albuquerque, FEMA official Col. John Brinkerhoff, referred to a long war on Terror and he said it will be fought here and may be longer than the Cold War. “And the Enemy is weak.”

In 30 years of publishing and broadcasting I have never been sued for libel or slander. It has never been more important to inform, organize and oppose this NWO plan for Global control.

Their plans for total control are almost in place. Only committed people working together and supporting each other and or rights as individuals can this grim vision be forestalled or prevented. We have the minds and plans to regain sovereignty and restore liberty.

Their tactics, and their attacks on me are included in my latest book, [“Mystery Babylon, the New World Order Unveiled”](#) that covers my history in the Patriot Movement including the suspicious accident, drugging in the hospitals and disruption of day to day business. As soon as this book came out, rumors about me that had no basis in reality began flying all over Tucson. Meetings were disrupted; supporters and advertisers continue to be harassed. I had five bank accounts closed down by a million dollars in hot checks that came in as investments and donation. My website is blocked in most libraries and major companies around the country. Their serious attacks on me continue until this day. These are designed to impoverish and handicap me both socially and on a business level. They have tried to destroy my ability to communicate with the large number of people who are not nearly as knowledgeable as you and get all their news from the controlled mainstream. That is why I am asking for your support financially.

For many years I was a happy successful businessman, author, writer, film maker and producer. I had a chemical business and a distribution company in the Paraphernalia industry. I

[The War Comes to America - Psycho Politics](#)

had to deal with the DEA and FDA. I hired the Broward County Sheriff's chemist. I worked with NORML, distributed and advertised in High Times. My distribution reached into K-marts, 7-11s and smoke shops (Head Shops in the good old days). The sixties were roaring. I sold peace symbols and pipes. We stopped a war. Then Tommy Chung's arrest for buying a bong factory put things in a new light, one with a lot of heat.

I started publishing a nationally distributed Motorcycle magazine called Rider's Xchange in Miami. While covering the Sturgis Rally, I was given a copy of a document that should have been labeled "Top Secret". It was the notarized statement of Col. Edward P. Cutolo, commander of the Special Forces unit in Ayer, Massachusetts. It was handed to me by a Vietnam Vet active in the POW/MIA issue with the admonition, "Let's see what kind of balls you have!"

The document is reprinted in its entirety in my book, ["Mystery Babylon, the New World Order Unveiled"](#). It documents a CIA/Mossad operation called Operation Watchtower that CIA director George Bush authorized and covered for the Mossad operatives, pretty much the way he did for the Mossad/CIA involved in 9-11. I read it, became just a little paranoid until I assured myself that the transfer of the document was not witnessed and I was not followed back to Miami. This operation involved George Bush, Ollie North, Bill Clinton and Manuel Noriega. It ran parallel to "Iran Contra". Toss in one old biker from Texas who likes to read and write.

William Tyree was a major figure in Cutola's document. Tyree's wife was murdered, Tyree framed for it and sentenced to life in Walpole Prison. I read the document carefully and started tracking down leads for confirmation that this was real. I managed to locate mother of William. She got me in contact with Bill Tyree. I followed and aired the story of his bugged trial with the help of a local librarian and wrote a story on it for Riders Xchange. Later, I would do the same in the Free American. Bill Tyree even used my 800 number to call in to a few shows.

Then a biker I had seen around showed up to tell me that he was with the CIA. He said they were a little upset but all of that information had been vetted with Noriega's trial but the word was, "We will let your live, this time, don't publish anything like that again."

J. Edgar Hoover once stated, "The individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists." Suddenly, this is what I felt I was faced with.

I had been in two bike clubs. One became the Bandidos, the other the Hell's Angels after I left the clubs. In my magazine, I covered Outlaw runs and the Vietnam Vets events. We were all aware of government interest in us. Just a part of biker life. . .but this was different. And that difference would become more apparent.

Life in Miami was as close to normal as that of most Americans. I had multiple businesses, boats, cars, trucks, and a Harley motorcycle. I had a home on a canal, a beautiful wife and two smart, strong sons.

Then Waco happened. I remember telling my wife that I could never sit back and watch something like that happen again without doing something. But after the Cutolo article ran, things began to go strangely wrong.

The distribution of my magazine through Harley Dealerships was cut off by the main office.

A Jewish employee who wanted a piece of the action for his writing skills started a competing newspaper when I turned his idea of a partnership down.

I was sued by Rider Magazine for infringing on their trademark.

A man I met in Sturgis, Wayne (Wooden Indian) Baughman offered me a job as the PR director for IMMI. He was going to restore Indian. I viewed it as an opportunity.

[The War Comes to America - Psycho Politics](#)

It did not occur to me at that time there was anything wrong. I closed my magazine down in Miami a short while after changing the name to Renegade Express. It didn't have the same ring and I didn't want to spend money on lawyers. I was writing for Motorcycle Industry, Easyriders, and others. I would chronicle the formation of IMMI through them.

I closed my businesses, sold my home on the canal and moved to NM. Was this part of the response of the covert agency's agenda or just a poor business decision on both our parts?

Before my family and furniture arrived, we introduced the new Indian Motorcycles in Tingley Coliseum in Albuquerque. I was talking to Cyril Batten, the man who designed and built the motor I had been promoting. "How many are you building for us Cyril?"

He looked me in the eye and said, "Two, those two in the Coliseum."

"But Wayne Baughman has got a lot of orders?" The new Indian dealers, most of whom I knew, were in town and being chauffeured between the Coliseum and the "empty factory" where the Indians were to be built. The only problem was IMMI was operating out of Wayne's Sheepskin Outlet and not a single tool or assembly line had been readied. This statement by the builder put a bad light on the whole affair.

"I was contracted to build two motors. There they are!"

When I walked into the building on Monday, Wayne called me to his office and asked why I was talking to Cyril. "I am in charge of PR. I talk to everyone."

"You are fired." I had done nothing wrong. His tone and attitude told me the matter was not open to negotiation. My involvement in anything has always been open to the public. I put my picture in the publisher's column of my magazines. This was perhaps the most In-Your-Face assault. It had not been a good time to sell my house in Miami. This was not the first nor the last time someone I trusted turned on me.

I rented a house in Albuquerque. I started talking to all of Baughman's employees and associates. The subsequent article I wrote for Motorcycle Industry and Easyriders put IMMI out of business.

Another article on South County Motorcycles and a phone call to the bankruptcy attorney suggesting they allow Rey Sotello to produce the Indians Baughman had taken a deposit on, resulted in the production of Indians once more...for a time. (Another Story another time)

From those days to this, it appears that I have been under attack. Why, for one story, a story that could have sold to another magazine for several hundred dollars? Would they have published it? Was everything business as usual or was something happening outside of normal business?

Perhaps I should have taken the CIA warning more serious.

Someone I was working under contract for suddenly sued me to keep me from doing a story on them. I countersued and won. I then started the Free American Magazine and the Militia in New Mexico working with the "Wake Up America group in Albuquerque. It was hardly the Terrorist Threat the ADL, SPLC and BATF tried to paint it as. We were just a bunch guys spending a few hour on an NRA range with a certified instructor. My teenage sons included.

They outshot everyone!

The Militias were formed with the approval of Gov. Gary Johnson in his office. He and the Chief of Police of the New Mexico State Police and every state *representative in NM got a copy every month.* I had national distribution for The Free American. It was selling in Barnes and Nobel, Books a Million, Hasting and more.

[The War Comes to America - Psycho Politics](#)

I started my Free American radio show on Truth Radio and WWCR Shortwave.

Then OKC happened. The BATF was absent. One agent was standing across the street who just happened to have been training on White Sands with the type of ANFO explosives in Timothy (Still in the Army) McVeigh's truck. So he was able to call Dallas and tell them what was used to blow up the building.

ADL and SPLC intensified their carefully crafted libelous reports. "Clay Douglas started and advertised for the Militias in his magazine."

Why wouldn't I? Every able bodied male between 18 and 45 is a member of the Militia and can be called up by the Governor. I did it with the Governor's full knowledge. In case of an emergency, we were at his command. Gary Johnson is running for President this year.

In a forerunner to the Ron Paul Revolution, Charles Collins was the first to sign up as a Presidential Candidate in the Republican Party in 1996. I featured him. He wanted to buy back the Federal Reserve. He was a Rhodes Scholar, former banker, land owner and brilliant man.

Charles and I, along with hundreds of Patriotic Americans were demonized in reports like "[False Patriots](#)" and "[40 to Watch](#)" by the SPLC and "[Armed and Dangerous](#)" by the ADL. Their criticism in the early days was mild. The Rhetoric would intensify in the future as I uncovered more Jewish involvement in World Affairs and history. These Jewish owned and operated organizations send their reports to the FBI and Homeland Security. Just like the Jewish owned media, where the Palestinians are always the terrorists, the FBI listed me and my magazine in their "Guide to Rightwing Extremists". "[Mystery Babylon, the New World Order Unveiled](#)".

ADL Segment on Clay Douglas.

"As in neighboring Arizona, the organization of militias in New Mexico is in the nascent stages. Thus far, the most visible manifestation of pro-militia sentiment in New Mexico has been found in The Free American, a monthly newspaper published privately by Clayton R. Douglas and his wife, Jan Douglas. The September 1994 issue contained an advertisement declaring: "It's Time To Take Matters Into Our Own Hands. It's Time To Protect Our Constitution! Join The New Mexico Unorganized Militia." The accompanying phone number for more information was the number of the newspaper itself." "Armed and Dangerous" by the ADL.

That much is true. Here is the stated reason for my work that they appear to be so afraid of. This heading has appeared on all of the thousands of copies of my magazine over the years.

Editorial Viewpoint

The *Free American* remains committed to bringing the truth to the American people. We believe that in a free society, it is the job of the press to be the watchman of the government. It then falls upon the people, being fully informed, to decide what actions they must take to preserve and defend their liberty.

The Free American is unabashedly, pro-American. Too many of our ancestors fought and died to protect our Constitution, the oldest in the world, to insure that we would retain those liberties spelled out in our Bill of Rights.

Based on the knowledge we have compiled over the last years of publication, we believe there is a verifiable, well documented plan to force Americans into a Global Government, complete with one world banking, a global ID system, an international police force, and a disarmed populous. This is unacceptable to us personally and incompatible with our Constitution and Bill of Rights.

Those who advocate such a global system and the dismantling of our Bill of Rights, are either misguided, uninformed or, if totally knowledgeable, traitors to this country. We will expose them. The Free American is not affiliated with any political party, religious sect, secret society, cult, club or movement. We do not advocate violence

[The War Comes to America - Psycho Politics](#)

but we stress the right of self-defense and the individual's right to bear arms, to be free of intrusive government, to privacy and the pursuit of life, liberty and happiness.

I believed that in 1994 and I believe that today. But my magazine is gone. The attacks in the form of "reports" shifted into high gear. [SPLC went after "Sovereign Citizens"](#) or anyone who happened to believe we are supposed to be free and independent.

When I talk about the ADL and the SPLC, I am not putting down or blaming all Jews for the criminal behavior of a few wealthy families. These are well funded, private propaganda machines designed to eliminate all opposition. They are hiding behind the Jews they sacrificed in Russia, Germany and Poland to drive others to Palestine, a Rothschild Colony at the time. There is a detailed time line in my book!

I need the help and support of all of my readers and listeners. We have to make moves and we need advertising, donations and books sales. Both John Kaminski and myself have been forced into poverty. Because we could not be silenced, intimidated or compromised like Alex Jones, we have been neutralized through Economic means. No one wants to support a terrorist, so these organizations, all Jewish owned, have to paint us when we are the ones that want to uphold the Constitutional Republic we were guaranteed by the Constitution. This is an old war and we are warriors getting old. It is time for all of you reading this to support those of us willing to risk death, imprisonment and demonization to fight for your Liberty.

Whiskey & Gunpowder -- The Daily Missive of Laissez Faire Books

Gary D. Barnett looks at the FBI's warning about people who believe gold is money or question the authority of the government...

NDAA Is Now Law, and Libertarians Are Now Anti-Government Extremists!

Democracy, which I consider to be the first step or beginning of socialism, thrives on propaganda, and uses this propaganda to indoctrinate the people. Once this indoctrination is complete, totalitarianism is the end result, and then propaganda is replaced by the razor's edge of the state's sword. This is our lot today. Propaganda has labeled those of us who desire to protect freedom as dissenters, and as enemies of the State. Given the now "legal" ability of the State to imprison indefinitely or murder any it chooses to, the sword has become the state's weapon of choice. The circle is nearly complete!

According to a Reuter's article published recently, the "FBI warns of threat from anti-government extremists. Anti-government extremists opposed to taxes and regulations pose a growing threat to local law enforcement officers in the United States, the FBI warned on Monday." The article went on to say that: "These extremists, sometimes known as 'sovereign citizens,' believe they can live outside any type of government authority."

Pay careful attention to who is now considered to be an extremist according to the FBI. Those who refuse to pay or even those who oppose taxation, those who defy government environmental regulations, and those who believe the United States went bankrupt by going off the gold standard, are now all considered to be extremists!

The War Comes to America - Psycho Politics

To expand on this matter, it is a point of fact that any real libertarian is opposed to forced government taxation, is opposed to government mandated environmental regulations, and all real libertarians fully understand that the creation of the Federal Reserve and the destruction of the gold standard have bankrupted this country.

Or is losing 97% of the value on our money not considered bankruptcy?

One thing that was correct in this article was this statement: "Routine encounters with police can turn violent "at the drop of a hat," said Stuart McArthur, deputy assistant director in the FBI's counterterrorism division." Yes, any wrong look or posture by any citizen can result in extreme violence against that innocent citizen by police. This is proven every single day around this country, but I should mention that McArthur was mistakenly referring to violence by the citizen against police. What a queer position to take!

State and local police departments are inundating the FBI with requests for training to protect themselves from sovereign citizens. This statement has obviously been reversed, as I always thought that the sovereign citizen was to be protected by local and state police, not the other way around. It seems the idea of sovereignty is now reserved only to the nation state and its agents of force. This of course is backward, but then again, what in this country remains proper, and in the interest of liberty? Little or nothing remains, as the U.S. has become nothing more than a tyrannical, fascist oligarchy!

We are very close to the bottom of the sleigh run on our way down that slippery slope toward a total police state.

Most of the pieces of the puzzle are now in place, and all that is left for the government authorities to do is to round up those "extremist sovereigns" still practicing their anti-government ways. With the passage of the National Defense Authorization Act of 2012 (NDAA), and the now new expanded FBI definition of an extremist, all that remains to be done is to actually capture and incarcerate all those who believe themselves to be sovereign individuals.

Consider that being anti-government, or even speaking out against the government, or wanting to protect your hard earned property by insisting on real money, or not agreeing with government regulations, can now literally lead to indefinite military detention without any due process or trial. Consider that any who believe in individual sovereignty can now be sent away to black sites around the world, tortured, or worse, via the rendition process.

Consider that any resistance to the State can now lead to arrest, imprisonment, beatings, or death. Consider that this once (so-called) free country is now a total police state bent on the destruction of all natural rights of individuals, and the U.S. government is desirous of total power and control over the entire population.

In reality these things do not have to be considered, because they are already happening! Some of the state's indiscretions are still partially isolated at this time, but the fact of the matter is that legally, nothing stands in the way of this government's desire to reach a dictatorial pinnacle.

The NDAA gives the government, mainly the executive branch, Carte blanche power in its march toward rounding up any American that it deems as a threat to its false sovereignty. This power not only extends to the capture and detention of citizens, but the president also claims the power to assassinate any he chooses to on his say so alone. He claims this power without fear of law, and without fear of judicial scrutiny. The powerful in government you see, are now in a position that puts them "legally" above the law, and therefore they answer to no one. This situation is a travesty beyond imagination, but it is real, and it is firmly in place.

Given the horrible USA PATRIOT Act, the Military Commissions Act, the NDAA, and all the other rights destroying legislation passed since September 11th, 2001, what chance do we have to regain freedom? Given the massive power now evident in the Department of Homeland Security, the military, the TSA, the NSA, the CIA, the FBI, does liberty have a chance? Can freedom be regained in an environment tainted by the malignancy of this monster we call the U.S. government?

Who among us could be considered by this government's definition to be an enemy belligerent, an enemy combatant, an unlawful combatant, a terrorist, an extremist, a believer in gold as money, a survivalist, or a libertarian? If you answered yes to any of these things, you could be subject to arrest, prosecution, incarceration, indefinite detention, citizenship loss, torture, or assassination. This is the country that has been built by all those who support this flawed system of government, and who continue to allow its aggressive march toward totalitarianism by their implied consent and apathetic behavior. Those I speak of have no understanding of freedom or liberty, and have not the courage to fight for right. They either worship authority, or fear it, but either way brings a deserved slavery.

The War Comes to America - Psycho Politics

Those of us who fight for freedom will never accept slavery. Those of us who believe in the sovereignty of the individual will never bow to the state apparatus. Those of us who seek the truth will never hide from it. Those of us who believe in the sanctity of life and liberty will continue to fight.

The State understands this courage and commitment, and will take every step to stop it. But if those who are willing to fight for the liberty of all are no longer present due to government mandate, what will become of the rest of society? What will become of freedom? Regards, Gary D. Barnett

"The question of how and why the United Nations is the crux of the great conspiracy to destroy the sovereignty of the United States and the enslavement of the American people within a U.N. one-world dictatorship is a complete and unknown mystery to the vast majority of the American people. The reason for this unawareness of the frightening danger to our country and to the entire free world is simple. The masterminds behind this great conspiracy have absolute control of all of our mass-communications media, especially television, the radio, the press, and Hollywood. We all know that our State Department, the Pentagon, and the White House have brazenly proclaimed that they have the right and the power to manage the news, to tell us not the truth but what they want us to believe. They have seized that power on orders from their masters of the great conspiracy and the objective is to brainwash the people into accepting the phony peace bait to transform the United States into an enslaved unit of the United Nations' one-world government.

"First of all, bear in mind that the so-called U.N. police-action in Korea, fought by the United States in which 150,000 of our sons were murdered and maimed, was part of the plot; just as the undeclared by Congress war in Vietnam in which our sons are dying is part of the plot; just as the plot against Rhodesia and South Africa in which our sons will be dying is part of the U.N. plot. However, the vitally important thing for all Americans, all you mothers of the boys who died in Korea and are now dying in Vietnam, to know is that our so-called leaders in Washington, who we elected to safeguard our nation and our Constitution, are the betrayers and that behind them are a comparatively small group of men whose sole-objective is to enslave the whole world of humanity in their satanic-plot of one-world government.

"Now in order to give you a very clear picture of this satanic-plot, I will go back to its beginning, clear back in the middle of the 18th century and name the men who put that plot into action and then bring you down to the present - today's status of that plot. Now as a matter of further intelligence, a term used by the FBI, let me clarify the meaning of the expression "he is a liberal." The enemy, meaning the one-world conspirators, have seized upon that word "liberal" as a cover-up for their activities. It sounds so innocent and so humanitarian to be liberal. Well, make sure that the person who calls himself a liberal or is described as a liberal is not, in truth, a "red."

"Now then, this satanic-plot was launched back in the 1760's when it first came into existence under the name "Illuminati." This Illuminati was organized by one Adam Weishaupt, born a Jew, who was converted to Catholicism and became a Catholic priest, and then, at the behest of the then newly-organized House of Rothschild, defected and organized the Illuminati. Naturally, the Rothschilds financed that operation and every war since then; beginning with the French Revolution; has been promoted by the Illuminati operating under various names and guises. I say under various names and guises because after the Illuminati was exposed and became notorious, Weishaupt and his co-conspirators began to operate under various other names. In the United States, immediately after World War I, they set up what they called the "Council on Foreign Relations," commonly referred to as the CFR, and this CFR is actually the

Illuminati in the United States and its hierarchy. The masterminds in control of the original Illuminati conspirators, were foreigners, but to conceal that fact, most of them changed their original family names to American sounding names. For example, the true name of the Dillons,

Clarence and Douglas Dillon (one Secretary of the U.S. Treasury Department), is Laposky. I'll come back to all this later.

Weishaupt [completed](#) his task May 1, 1776. Now you know why May 1 is the great day with all communist nations to this very day (May 1 is also "Law Day" as declared by the American Bar Association). (The celebration of May 1 [Baal/Bealtaine] goes much further back into history than this, and the day was picked for the ancient reasons, which comes through Paganism; Baal-worship and revolves around the worship of Satan.) That was the day, May 1, 1776, that Weishaupt completed his plan and officially organized the Illuminati to put the plan into execution. That plan required the destruction of all existing governments and religions. That objective was to be reached by dividing the masses of people, whom he Weishaupt, termed: "goyism" [nationalism] or human cattle into opposing camps in ever increasing numbers on political, social, economic, and other issues - the very conditions we have in our country today. The opposing sides were then to be armed and incidents provided which would cause them to fight and weaken themselves and gradually destroy national governments and religious institutions. Again I say, the very conditions in the world today.

"And at this point let me stress a prime feature of the Illuminati plans. When and if their blueprint for world control, the Protocols Of The Elders Of Zion, is discovered and exposed, they would wipe all the Jews off the face of the earth in order to divert suspicions from themselves. If you think this is farfetched, bear in mind that they permitted Hitler, a liberal socialist himself, who was financed by corrupt Kennedy, the Warburgs, and the Rothschilds, to incinerate 600,000 Jews.

"Now just why did the conspirators choose the word: "Illuminati" for their satanic-organization? Weishaupt himself said that the word is derived from Lucifer and means: "holder of the light." Using the lie that his objective was to bring about a one-world government to enable those with mental ability to govern the world and prevent all wars in the future. In short, using the words: "peace on earth" as his bait, exactly as that same bait as: "peace" was used by the 1945 conspirators to force the United Nations on us, Weishaupt financed, I repeat, by the Rothschilds, recruited some 2,000 paid followers.

These included the most intelligent men in the field of arts and letters, education, the sciences, finance, and industry. He then established Lodges of the Grand Orient; Masonic Lodges to be their secret headquarters and I again repeat, that in all of this he was acting under orders from the House of Rothschild. The main features of the Weishaupt plan of operation required his Illuminati to do the following things to help them to accomplish their purpose:

- Use monetary and sex bribery to obtain control of men already in high places in the various levels of all governments and other fields of endeavor. Once influential persons had fallen for the lies, deceits, and temptations of the Illuminati they were to be held in bondage by application of political and other forms of blackmail, threats of financial ruin, public exposure, and fiscal harm, even death to themselves and loved members of their families.

Do you realize how many present top officials in our present government in Washington are controlled in just that way by the CFR? Do you realize how many homosexuals in our State Department, the Pentagon, all federal agencies, even in the White House are controlled that way?

- Illuminati and the faculties of colleges and universities were to cultivate students possessing exceptional mental ability belonging to well-bred families with international leanings and

The War Comes to America - Psycho Politics

recommend them for special training in internationalism. Such training was to be provided by granting scholarships to those selected by the Illuminatis.

"That gives you an idea what a "Rhodes' Scholarship" means. It means indoctrination into accepting the idea that only a one-world government can put an end to recurring wars and strife. That's how the United Nations was sold to the American people.

"One of the most notable Rhodes' scholars we have in our country is Senator William J. Fulbright, sometimes referred to as half-bright. His entire voting-record spells Illuminati. All such scholars were to be first persuaded and then convinced that men of special talent and brains have the right to rule those less gifted on the ground that the masses don't know what is best for them fiscally, mentally, and spiritually. In addition to the Rhodes' and similar scholarships, today there are three special Illuminati schools located in Gordonstown in Scotland, Salem in Germany, and Annavrighta in Greece.

These three are known ones, but there are others that are kept undercover. Prince Philip, the husband of Britain's Queen Elizabeth, was educated at Gordonstown (as was also Prince Charles) at the instigation of Lord Louis Mountbatten, his uncle, a Rothschild relative, who became Britain's Admiral of the Fleet after World War II ended.

- All influential people trapped into coming under the control of the Illuminati, plus the students who had been specially educated and trained, were to be used as agents and placed behind the scenes of all governments as experts and specialists so they would advise the top executives to adopt policies which would in the long-run serve the secret plans of the Illuminati one-world conspiracy and bring about the destruction of the governments and religions they were elected or appointed to serve.

"Do you know how many such men operate in our government at this very time? Rusk, McNamara, Hubert Humphrey, Fulbright, Keekle, and goes on and on and on.

- Perhaps the most vital directive in Weishaupt's plan was to obtain absolute-control of the press, at that time the only mass-communications media, to distribute information to the public so that all news and information could be slanted so that the masses could be convinced that a one-world government is the only solution to our many and varied problems.

"Do you know who owns and controls our mass-communications media? I'll tell you. Practically all the movie lots in Hollywood are owned by the Lehmans; Kuhn, Loeb, and Company; Goldman-Sachs; and other internationalist bankers. All the national radio and TV channels in the nation are owned and controlled by those same internationalist bankers. The same is true of every chain of metropolitan newspapers and magazines, also of the press wire-services, such as Associated Press, United Press, International, etc.. The supposed heads of all those media are merely the fronts for the internationalist bankers, who in turn compose the hierarchy of the CFR, today's Illuminati in America.

"Now can you understand why the Pentagon Press agent, Sylvester, so brazenly proclaimed that the government has the right to lie to the people. What he really meant was that our CFR controlled government had the power to lie to and be believed by the brain-washed American people.

"Let us again go back to the first days of the Illuminati. Because Britain and France were the two greatest world powers in the late years of the 18th Century; Weishaupt ordered the Illuminati to foment the colonial wars, including our Revolutionary War, to weaken the British Empire and organize the French Revolution to start in 1789. However; in 1784, a true act of God placed the Bavarian government in possession of evidence which proved the existence of the Illuminati and that evidence could have saved France if they, the French government, hadn't refused to believe

[The War Comes to America - Psycho Politics](#)

it.

Here is how that act of God happened. It was in 1784 that Weishaupt issued his orders for the French Revolution. A German writer, named Zweig, put it into book form. It contained the entire Illuminati story and Weishaupt's plans. A copy of this book was sent to the Illuminists in France headed by Robespierre whom Weishaupt had delegated to foment the French Revolution. The courier was struck and killed by lightning as he rode through Rawleston on his way from Frankfurt to Paris. The police found the subversive documents on his body and turned them over to the proper authorities. After a careful study of the plot; the Bavarian government ordered the police to raid Weishaupt's newly-organized Lodges of the "Grand Orient" and the homes of his most influential associates. All additional evidence thus discovered convinced the authorities that the documents were genuine copies of the conspiracy by which the Illuminati planned to use wars and revolutions to bring about the establishment of a one-world government; the powers of which they, headed by the Rothschilds, intended to usurp as soon as it was established, exactly in line with the United Nations' plot of today.

"In 1785, the Bavarian government outlawed the Illuminati and closed the Lodges of the "Grand Orient." In 1786; they published all the details of the conspiracy. The English title of that publication is: "The Original Writings of the Order and the Sect of the Illuminati." Copies of the entire conspiracy were sent to all the heads of church and state in Europe. But the power of the Illuminati, which was actually the power of the Rothschilds, was so great that this warning was ignored. Nevertheless; the Illuminati became a dirty word and it went underground.

Jonathan Williams recorded in his Legions of Satan (1781) that General Cornwallis revealed to General Washington during the signing of the Article of Capitulation signed by Cornwallis at Yorktown that: "A holy war will now begin on America, and when it is ended America will be supposedly the citadel of freedom, but her millions will unknowingly be loyal subjects to the Crown." Cornwallis went on to explain what would seem to be a self contradiction, "Your churches will be used to teach the Jew's religion and in less than two hundred years the whole nation will be [working](#) for Divine World Government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry." General Cornwallis to General Washington as recorded by Jonathan Williams, 'Legions of Satan', 1781. And today we have "Churches" like John Hagee & Pat Robertson teaching the religion of The SynaGOGue of Satan for the children of the devil, "Jews," who are NOT Israelites, Hebrews, nor Semites (Whites) nor are 'Jews' Judahites of the Tribe of Judah. "Jews" are GOG & MaGOG of Russia, pretending to be Anglo-Saxon Israelites, who left Israel in 745 BC to found Abraham's "Many Nations" in the wilderness of Europe. The Jewish impersonation of the White Race of Europe is the biggest case of Identity Theft in history. Uncovering more international enemies of these united States

[The War Comes to America - Psycho Politics](#)

All members of The Council of Foreign Relations of these united States should be rounded up and arrested by federal and state police agencies for TREASON against this nation and its Citizens. This is an extremely dangerous enemy within our nation, whose job was to weaken and destroy the united States from within.

I don't care what their names are, or what positions they hold, whether in public or private they should be arrested and charged with conspiracy and per the RICO Act. As sworn members of The Council of Foreign Relations, they have committed their crimes wantonly, knowingly, and willingly. Ret. Admiral Chester Ward spills the beans below against this subversive and anti-American organization. Share this information with as many people as you can, especially Sheriffs, other police agencies, federal and state public officials, and friends who still love these united States. Thank you!

Dr. James P. Wickstrom

"If only more people woke up regarding the true intentions of this unelected body of anti-American global elitists who generate our government policy and it's laws.

"The main purpose of the Council on Foreign Relations (CFR) is promoting the disarmament of U.S. sovereignty and national independence, and submergence into an all-powerful one-world government. The leadership of the group is composed of the one-world-global-government ideologists -- more respectfully referred to as the organized internationalists. Moreover, the lust to surrender the sovereignty and independence of the United States is pervasive throughout most of the membership. The majority visualize the utopian submergence of the United States as a subsidiary administrative unit of a global government.... "

--Admiral Chester Ward

--Judge Advocate of the U.S. Navy, former CFR member for 16 years who left in total disgust

All of the moves toward this goal were printed in the Protocols of the Elder of Zion but reading that has been discouraged also.

I've interviewed at many local enterprises [credit unions, community colleges, non-profits, university, county, city, etc., etc.]. Initially, I would study the organization and prepare for the interview. I was always the most qualified: Three degrees w/an MBA in finance, 20 years successful business banking, executive director, teacher, consultant, with California state licenses in general construction and real estate brokerage, etc.. Given my considerable preparation, I was keenly aware of what each organization needed and had the skill-set to do the job, but I would never get hired. Generally I would be interviewed by people who should have been working for me--and didn't seem to have clue about their core business. Most of the organizations were significantly under-achieving--with two of the small credit unions taking multi-million dollar hits. So what was going on--how could someone-- who to me was obviously incompetent--to the extent of putting the organization at risk--how were they able to keep their jobs?

I then began to notice that the decision makers in all of these organizations were jews and that the people that they eventually hired had jewish sounding sir names--many of whom were from outside of my community [where did they come from?]. So it began to dawn on me--especially as the TARP related funds [GAO \$16 trillion secret bailout] began to surface. It's no longer about producing a product/service and generating a profit--that is no longer the theme

The War Comes to America - Psycho Politics

of American business. The money is created by the Jewish Reserve and then funneled down to various organizations with one and only one priority:

Until the average American gentile wakes-up the American Bolshevik revolution will continue until they have it all or take down the country trying. Meanwhile, I am turning my attention to creating another model which will make these Khazaric Neanderthals obsolete. What will it be? Don't know yet--but spread the word--the change is coming!

Control.

Control of: The resources, organizational gateways, jobs, benefits, political positions, information, technology, control of everything small and large, global and local. It's not about what you know, but who you know and that person is going to be a jew or a gentile who is easily controlled by jews. Not to worry if you've lost \$12 million dollars because you had a bunch of kids running you loan department--not to worry because someone within the network will fund your loss from a government program--which of course is administered by a fellow Sayanim member: Full spectrum dominance/long term penetration/ he who controls the money/ whatever--it's all about control.

Peace, GaryS

And later he wrote:

What we are seeing--here in America as well as the rest of the world [eminently visible in Europe] is a "Liquidation Model" coupled with the "Social Networking Model" to ensure that they get everything from everyone [including incriminating intimate details of personal lives]. Of course--nothing tangible is produced--now that they have complete control of the country--it's not necessary.

The biblical story of Joseph [the favorite son of Jacob/Israel] and the Pharaoh is the first published account of "Disaster Capitalism": With hoarding, exorbitant pricing, auction purchasing of animals and equipment and the eventual foreclosure of homelands. It's in the blood brother: Slavery, pornography, body-parts, drugs, surveillance, pharmaceuticals, psycharistry, etc.--anything and everything for a buck.

The global community is infected with this Khazaric imposter. Orwell put forth his cryptic warning from his death bed: Goldstein is Big Brother/Big Brother is Goldstein.

It cannot stand! GaryS

This e-mail came across my desk as I was writing this.

"The problem is that Americans are the most naive people on the planet! We have no problem believing other governments lie to their own people and propaganda is widely used, but if you even have proof of propaganda being used here and try to show it you are labeled a wacko conspiracy nut! Sheep being led to slaughter is what we are now! All those sheep who turn back and try to warn others to turn around are laughed at! Satan has deceived the whole world and Americans are the most deceived! Why? We would rather be "entertained" by Jew TV, Harlotwood (Jew owned) movies, or listen to the Jew owned Presstitutes on the Communist News Network! (CNN)." "Our ancestors in Europe were not easily deceived because they didn't have all these modern entertainments and they read their bibles! "Christian" Zionists (Christian

The War Comes to America - Psycho Politics

Satanists) don't read their bibles, but go to their Jew loving church on Sunday, get their "latte or frappacino" and then sit in their mega-church and listen to rock music they call worship music, listen to their Jew loving Pastor and all his lies and fork over their money, so more people can be as blind as they are!" "If they truly believe in that crap they call (501 (c)(3) "church" they deserve to end up in hell!"

There is too much truth in that statement. The so-called Judeo/Christians are following a false doctrine. How can the murderers of the Christ be called Christian? It is the same, in my eyes, as calling yourself a Satanic Christian.
